VACANCY:
QUALIFIED HEAVY DUTY / AUTOMOTIVE MECHANICS

Quarry Hills Excavation & Gravel Ltd.

Position: Qualified Heavy Duty / Automotive Mechanics
Date posted: October 19, 2026
Location: Brandon, MB
Closing date for applications: The position will remain open until filled
Start date: As soon as possible

About the Role

Quarry Hills Excavation & Gravel Ltd. is one of Westman's fastest growing commercial heavy equipment contractors, specializing in gravel, sewer & waterworks, and earthworks.

We are seeking **skilled Heavy Duty and Automotive Mechanics** to join our team in Brandon, MB.

This role is ideal for individuals with experience working on a mix of heavy equipment, diesel engines, and on-road vehicles. We welcome applicants from heavy duty, automotive, truck and transport, and agricultural backgrounds who are comfortable diagnosing, repairing, and maintaining a wide range of equipment and vehicles.

Requirements

- Journeyman (Red Seal) or equivalent qualification (heavy duty, truck and transport, etc.).
- COI permit is a considerable asset (light vehicles, trucks, busses and trailers).
- Farm or agricultural mechanics are also encouraged to apply.
- Proven experience (minimum 2 years) maintaining and repairing heavy equipment and/or truck & transport fleets.
- Strong knowledge of diesel engines, hydraulics, and heavy equipment systems.
- Familiarity with preventative maintenance programs and safety/compliance requirements.
- Strong problem-solving and diagnostic skills across both heavy duty and automotive systems.
- Ability to meet the physical demands of the role (shop environment; lifting/carrying as required).
- Team player.
- Valid Class 5 driver's licence required (Class 3 is considered an asset).

Key Duties

- Perform preventative maintenance on heavy equipment, trucks, trailers, and company vehicles including oil changes, fluid services, and inspections.
- Diagnose and repair mechanical issues on diesel and gas engines, hydraulic systems, braking systems, and electrical components.
- Troubleshoot equipment and vehicle issues to minimize downtime and maintain efficient operations.
- Repair or replace worn or damaged parts across a variety of equipment and vehicles.
- Maintain accurate service records and report major repair needs to management.
- Assist with maintaining shop organization and cleanliness.
- Prepare and inspect equipment and vehicles prior to deployment to job sites.
- Coordinate parts ordering and parts pick-up when required.
- Ensure all work is completed in accordance with company safety policies and procedures.

Compensation and Benefits

- We offer competitive wages, to be discussed based on experience.
- Group benefits program.
- Company-matched RRSP.
- Free gym membership.

How to Apply

- Send a short cover letter and your resume to recruitment@quarryhillsexcavation.com
- **IMPORTANT -** please use the subject line: **#QH-Mechanic**
    - *Applications without the correct subject line may not be reviewed.*

We thank all applicants for their interest in joining Quarry Hills. **Only candidates selected for an interview will be contacted.** If you do not hear from us within two weeks of submitting your application, please consider your application unsuccessful.
